- Field computations
- Construction staking for WisDOT, municipal and private site, street and utility projects.
- Bridge and hydraulic surveys of river and stream channels.
- Topographic surveys of state and county highways including drainage and safety features along them (beam guard, culverts, etc.).
- Communicate clearly with: clients, coworkers, peers and public.

Minimum Qualifications:

- High school diploma or equivalent
- 2 years of experience
- Proficiency with GPS, Total Station and Data Collectors
- Proficient with CAD and AutoCAD Civil 3D
- Ability to organize field notes
- Ability to read Construction Plans
- Experience performing Boundary Research, required
- Ability to execute field staking
- Strong math skills
- Valid driver's license
- Reliable transportation
- Some travel required, varies year to year

Desired Qualifications:

- Associates Degree in Land Surveying or related
- MicroStation experience
- 5 years of experience
- WisDOT construction staking experience

Himalayan Consultants is an Equal Opportunity Employer and offers a competitive salary and benefits program that includes:

- Medical/Dental Plans
- Prescription Drug Program
- 401(k)
- Time-off Benefits
